## What we require to know...

### Do you have access to Power?

We Supply a 20m Extension Lead with Each Trailer, If longer is required then this is the clients responsibility

### Do you have access to Water?

We Supply a 20m 1/2" Garden Hose with Each Trailer If longer is required then this is the clients responsibility

### Do you have access to Septic/Sewer?

As our trailers have no "onboard" storage capabilities our trailers require a Septic or Sewer Access Point. Waste is Pumped from Trailer Macerator (Waste Grinder) down flexible 40mm Waste Pipe. This can be a MAX Distance of 80m on flat ground.

### Can we pick the trailer up?

No, Due to the trailers requirements We drop off, Set up and collect on completion of your hire.

### How much do they cost to hire?

Due to each trailer requiring our Staff to Drop off and Collect each hire is P.O.A

### Other info

Our Trailers leave our Depot clean, full of gas (2x 9kg Gas bottles)
