What we require to know...

Do you have access to Power?

We Supply a 20m Extension Lead with Each Trailer, If longer is required then this is the clients responsibility

Do you have access to Water?

We Supply a 20m 1/2" Garden Hose with Each Trailer If longer is required then this is the clients responsibility

Do you have access to Septic/Sewer?

As our trailers have no "onboard" storage capabilities our trailers require a Septic or Sewer Access Point. Waste is Pumped from Trailer Macerator (Waste Grinder) down flexible 40mm Waste Pipe. This can be a MAX Distance of 80m on flat ground.

Can we pick the trailer up?

No, Due to the trailers requirements We drop off, Set up and collect on completion of your hire.

How much do they cost to hire?

Due to each trailer requiring our Staff to Drop off and Collect each hire is P.O.A
